AT THE DANA ADOBE

Louie Ortega

& the All Stars

Celebrants at the DANA Fiesta on Sunday evening can expect lively music and a festive atmosphere when **Louie Ortega & the All Stars** take the verandah stage at the Dana Adobe.

"It's going to be mostly dance music, party stuff," says Louie Ortega. "I'll do a few originals, but not like I would at a concert or festival. I'll throw in some 'Woolly Bullys' and 'Wasted Days.'

"I'm ready to rock," he says. "I hope we get a good turnout."

The Allstars are: **Rob Espinosa**, formerly of *It's a Beautiful Day*, on electric guitar; **Greg Smith**, formerly with *The Eagles*, on saxophone; and **Mark Roberts** on drums.

This is the second time Louie Ortega has performed at a fundraiser at the DANA Cultural Center. "They told me what they are doing, and I thought, 'That's awesome.' A lot of these older structures need restoration. There's a lot of history there, and I love that."
